

Spotley Wood Campsite

Site Rules

1. The carpark only fits about 12 cars and we therefore ask that you try to limit the number of cars picking up and dropping off. Please do not park on the drive by the cottages.
2. Dogs, caravans, fireworks and excessive noise are not permitted at Spotley Wood Campsite
3. The adjoining woodland is out of bounds as groundkeepers may be out from dawn to dusk controlling wildlife and vermin. That being said, you may be able to gather firewood up to about 50 metres into the woodland however the bridleway adjacent to the mobile phone mast is the only public right of way in the woods.
4. Please respect our neighbours and follow the site curfew between 22.30 and 07.00 hours
5. Ground fires are only allowed in the campfire area. Portable alter fires are available for use elsewhere on site. Care should be taken to minimise fire damage to flora and all fires should be monitored to assure that there is no possibility of causing a wildfire
6. Please leave the site in a clean and tidy condition. The water and electricity should be turned off before you leave and all rubbish and perishables must be taken away with you.
7. Please ensure that all doors are locked and any remaining fires are out upon departure
8. Spotley Wood Campsite is a no Smoking or Vaping site
